Bella Vista - Punta Leona, Costa Rica

You simply will not find finer luxury. This home will inspire your senses and enroll you in the good life. Panoramic ocean views will lead to plenty of awe inspiring moments. 8,000 square feet provides five levels with six luxuriously appointed bedrooms. Floor to ceiling glass doors and windows blur the line between indoors and outdoors. Spectacular amenities include indoor and outdoor hot tubs and a negative edge swimming pool that overlooks Costa Rica's Gulf of Nicoya where it is common to spot frolicking whales and dolphins. Custom-milled woodwork throughout the home and rich, natural finishes blended with clean, contemporary lines provide a spectacular, unmatched level of architectural mastery. The home comes with live-in staff and includes cooks and daily maid service. For virtual tours and additional information visit www.bellavistapl.com
